

Scope and Sequence of Skills

Prepare

Throughout Musicplay new concepts are prepared by singing, playing and listening. Learning music is like learning a language. Children need to experience music before labeling it.

Present

When children have experienced a new concept (i.e. beat) they are ready to label it. When the teacher labels a new concept in this method, it is called "present" - a new concept is made conscious or presented to the students.

Practice

After a new concept is presented, the children need reinforcement, or practice. New musical terms or concepts are reviewed throughout Musicplay.

BEAT AND RHYTHM

- tap, play and move to a steady beat
